Product System

More than a panel. A modular wall system.
Modular panels and compatible accessories
combine to create flexible storage and display.

PANELS

3 Standard sizes · 5 Standard colors

ACCESSORIES

Hooks · Holders · Shelves

APPLICATIONS

Retail · Workspaces · Home · Garage & Workshop

Product Innovation

Rounded Cross-Shaped Perforation

The distinctive rounded cross-shaped perforation supports consistent accessory placement across horizontal and vertical panel layouts. The system incorporates technology covered by two granted Chinese utility model patents.

GRANTED IN CHINA

APPLICATIONS

One System. Different Spaces

From retail environments and workspaces to homes and garages, modular panels and compatible accessories can be configured around different storage, display and organization needs.

WestPerfo

COMMERCIAL & RETAIL

Flexible Walls for Display and Organization

From retail and showrooms to reception and hospitality spaces, WestPerfo brings products, information and display accessories together within one adaptable wall system.

EXHIBITION & SHOWROOM DISPLAYS

A Flexible Backdrop for Changing Presentations

Organize products, samples and information in one coordinated system, then reconfigure the display as priorities change.

RETAIL INTERIORS

Designed to Belong in the Space

Panels, colors and accessories coordinate with the interior to combine product display and organization.

RECEPTION & PUBLIC AREAS

Feature Walls with a Practical Purpose

Integrate display, information and everyday organization into a coordinated public-area wall.

OFFICE & CREATIVE SPACES

Flexible Walls for Organized Workspaces

From offices and design studios to shared workspaces, WestPerfo keeps tools, samples and reference materials organized within one adaptable wall system.

OFFICE & STUDIO

A Flexible Wall for Creative Work

Keep tools, samples and materials visible, organized and within reach.

OFFICE / GAMING & CONTENT CREATION

Gaming & Content Creation

Keep essential gear organized, visible and off the desk.

HOME & LIVING SPACES

Flexible Walls for Storage and Display

From living rooms and kitchens to study, fitness, vanity and entryway spaces, WestPerfo brings practical storage and personal display together within one adaptable wall system.

HOME/LIVING ROOM

Living Room Feature Wall

Display and storage, designed as part of the room.

HOME/KITCHEN

Kitchen Wall Organization

Keep frequently used utensils and supplies organized and within reach.

HOME/STUDY & FITNESS

Study & Home Fitness

One modular system, adapted for focus or movement.

HOME/BATHROOM

Bathroom & Vanity Organization

Keep toiletries and small essentials organized and within reach.

HOME/ENTRYWAY

Entryway Wall Organization

Keep everyday essentials organized, visible and ready to go.

GARAGE & TOOL ROOMS

Flexible Walls for Tools and Equipment

From garage workbenches to dedicated tool rooms, WestPerfo keeps tools and supplies visible, organized and within reach.

GARAGE/WORKBENCH

Tool Wall Organization

Organize tools by task and height to keep the workbench clear and essentials within reach.

ACCESSORY SYSTEM

Extend the Wall with Compatible Accessories

Hooks, holders, shelves and organizers adapt the panel system to different storage, display and workspace needs.

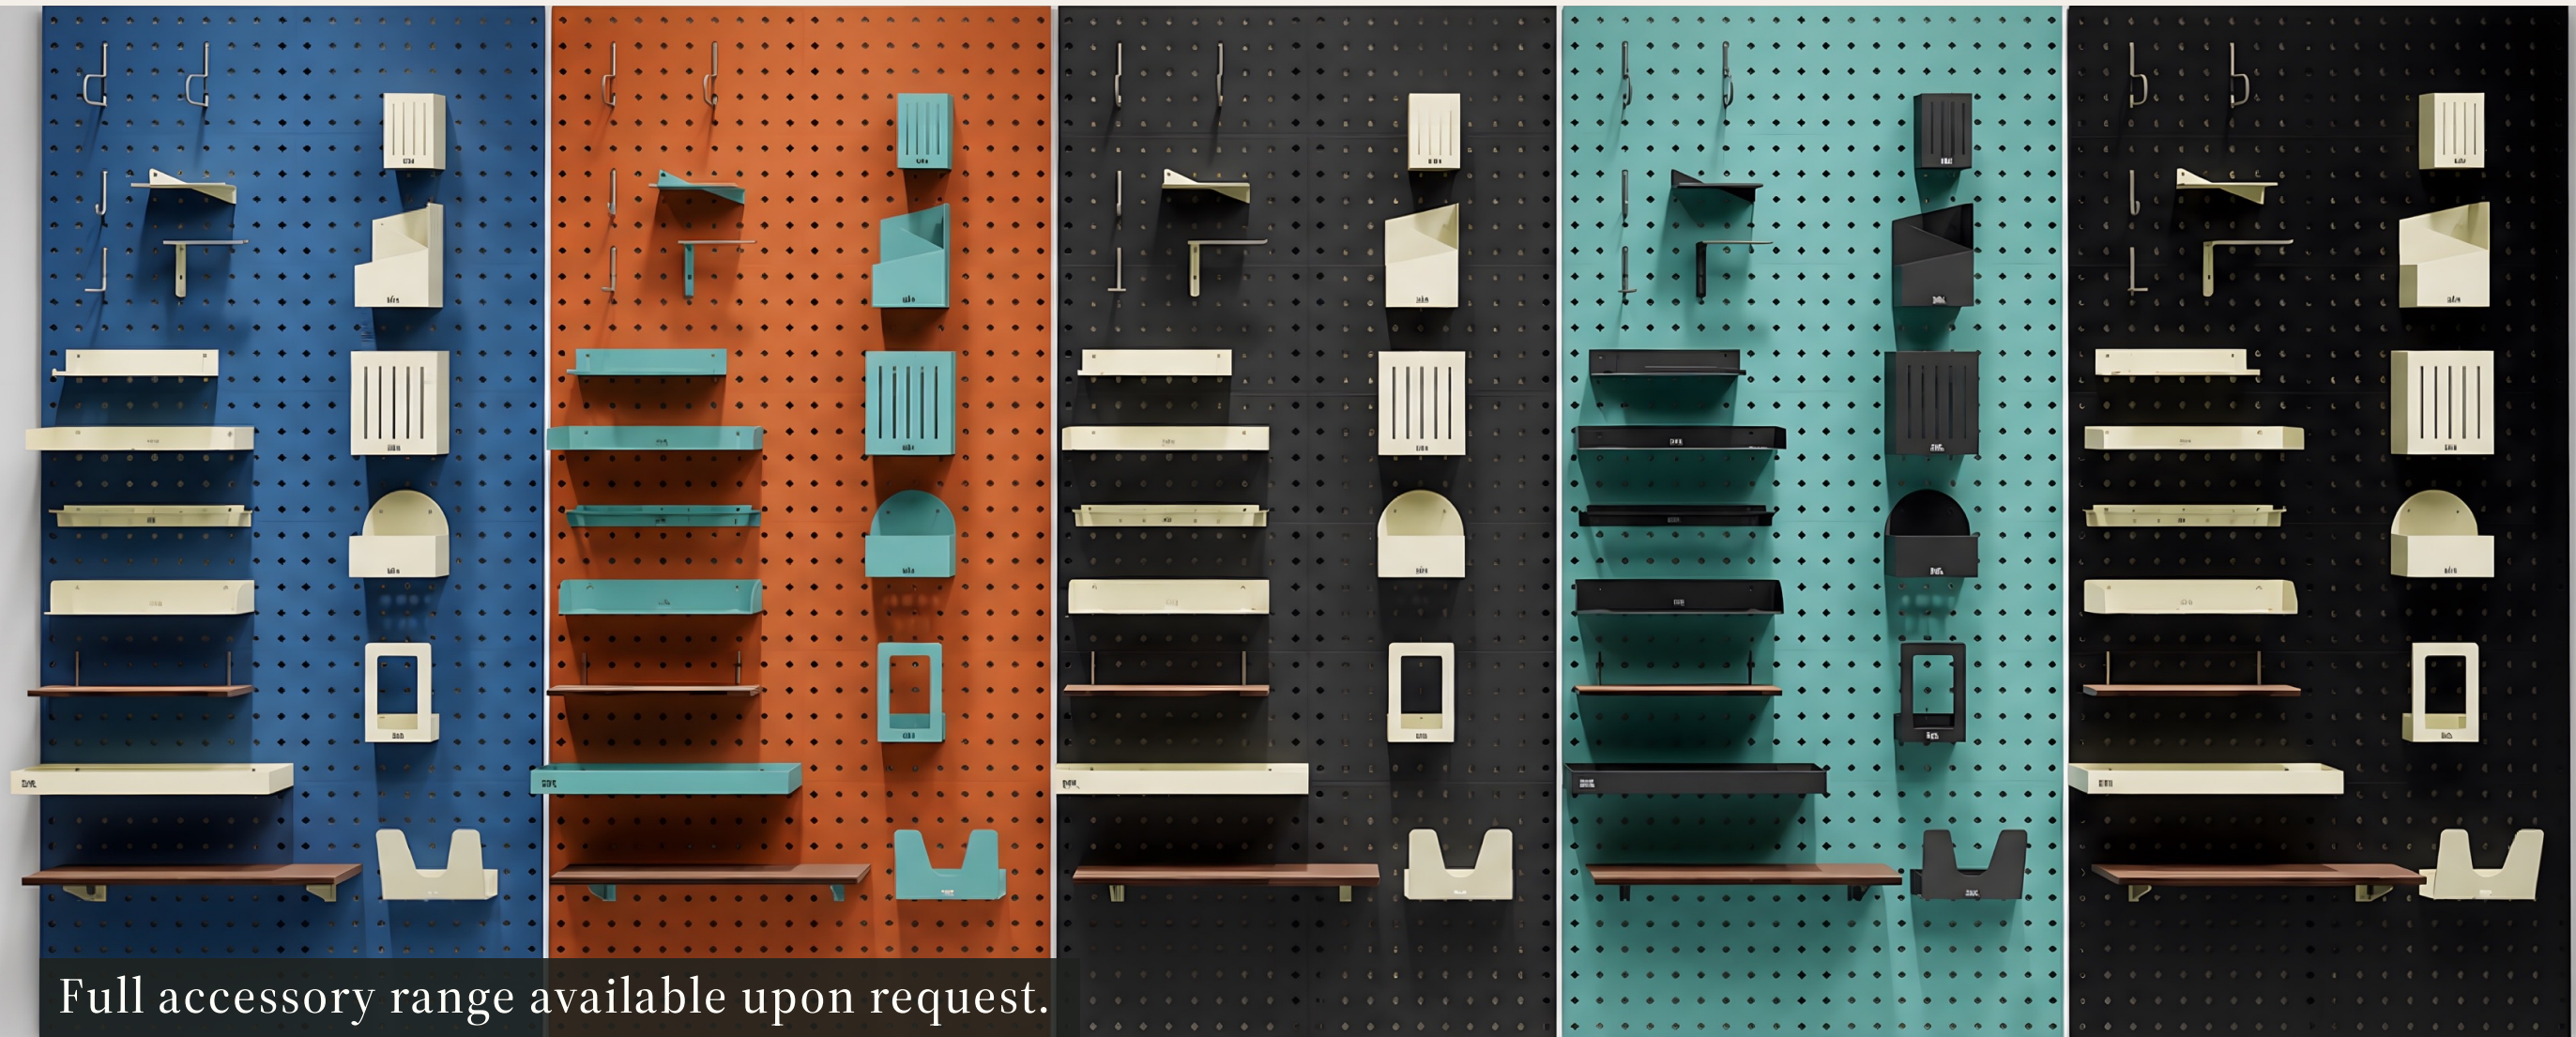

ACCESSORY RANGE

Representative Accessories

A selection of compatible hooks, holders, shelves and organizers for hanging, storage and display.
